

SCHOOL OF ENGINEERING
The City College of New York
Advisement Report for **Computer Engineering** majors

To be filled out by student (also the other side):

Interview for Semester: _____

Date: _____

Student's Name: _____ **ID#** _____

To be filled out by advisor:

Advisor's Name: _____

1) I have reviewed this student's transcript. The student is on course to graduate in ____ more semesters, given pre- and co-requisite requirements and available hours for study.

The following problems must be addressed: _____

2) I have reviewed this student's approximate intended course schedule for the coming semester. It is acceptable as presented: Yes ____ No _____. If no, the following changes were recommended:

3) I have discussed with the student what he or she needs to do in order to improve academic performance: Yes ____ No _____. Comments: _____

4) The following issues were discussed: Choice of technical electives: Yes ____ No ____;
summer internship possibilities: Yes ____ No ____;

research opportunities within the departments: Yes ____ No ____;
plans for graduate school: Yes ____ No ____; career plans: Yes ____ No ____.

Summary of these discussions: _____

I believe that this is an acceptable summary of this advisement session:

_____ **Advisor** _____ **Student**

(If not acceptable do not sign. Submit reasons why on a separate sheet of paper, dated and signed.)

Advising: Course checklist for Computer Engineering majors

Course			Completed/ Grade is:	Currently enrolled: ✓	Intend next semester ✓
Math	201	3	Calc I	≥ C	
	202	3	Calc II	≥ C	
	203	4	Calc III	≥ C
